

**Sage Sparrow (*Artemisiospiza belli*)**

**SGCN**  
**State Rank: S3B**  
**Global Rank: G5**

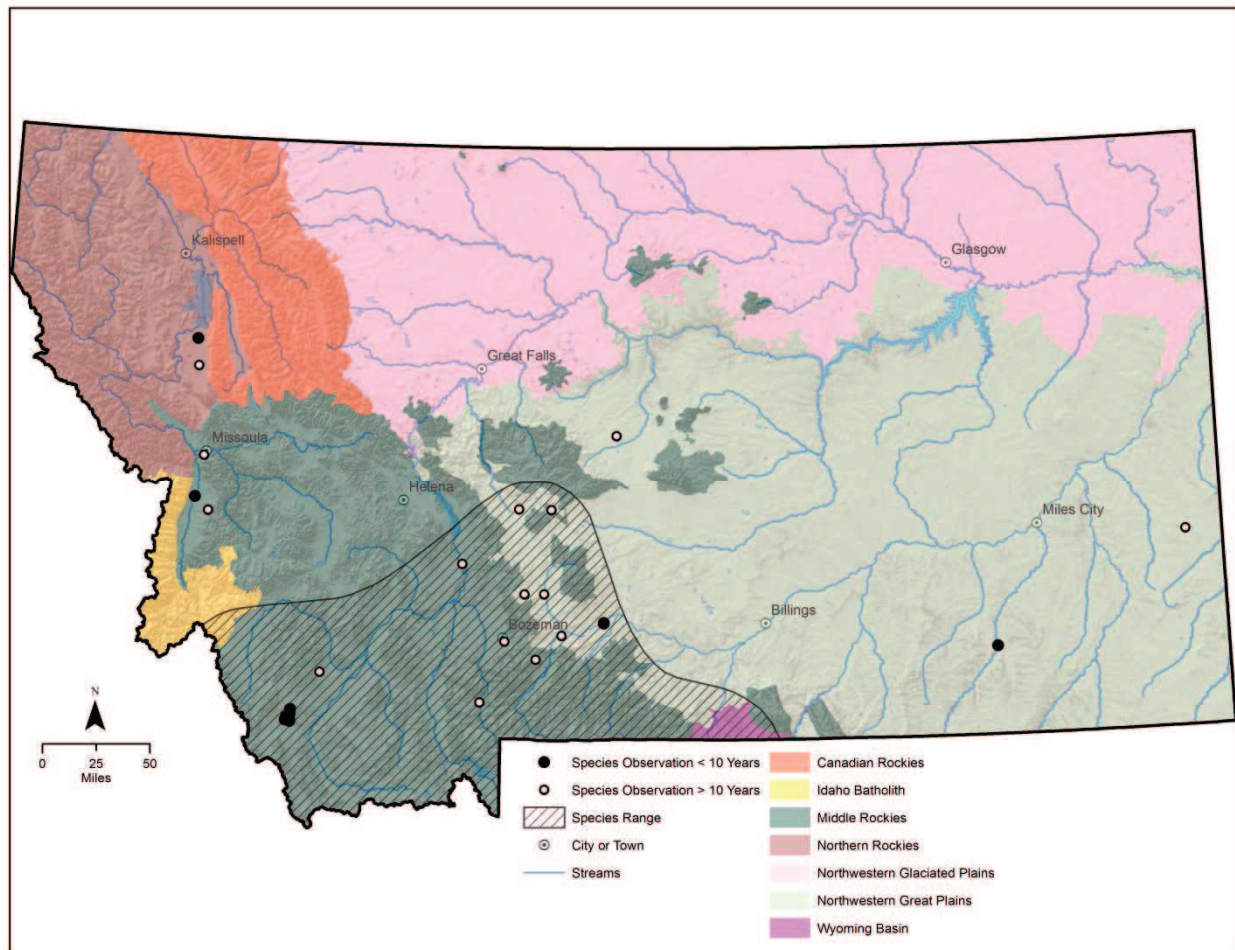

Figure 77. Montana range and observations of the sage sparrow

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Short-eared Owl (*Asio flammeus*)**

PSOC

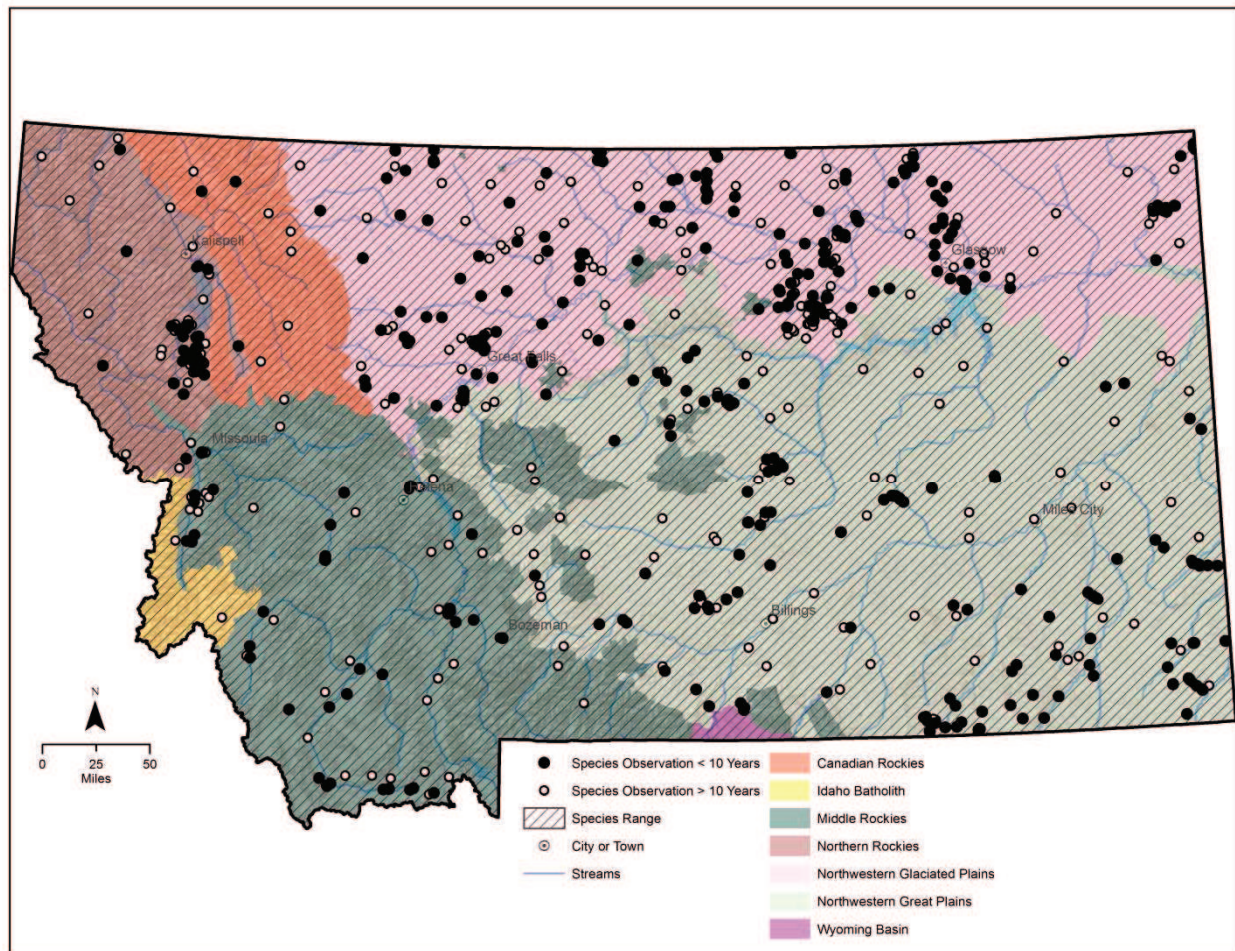

Figure 78. Montana range and observations of the short-eared owl

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Western Screech-Owl (*Megascops kennicottii*)**

PSOC

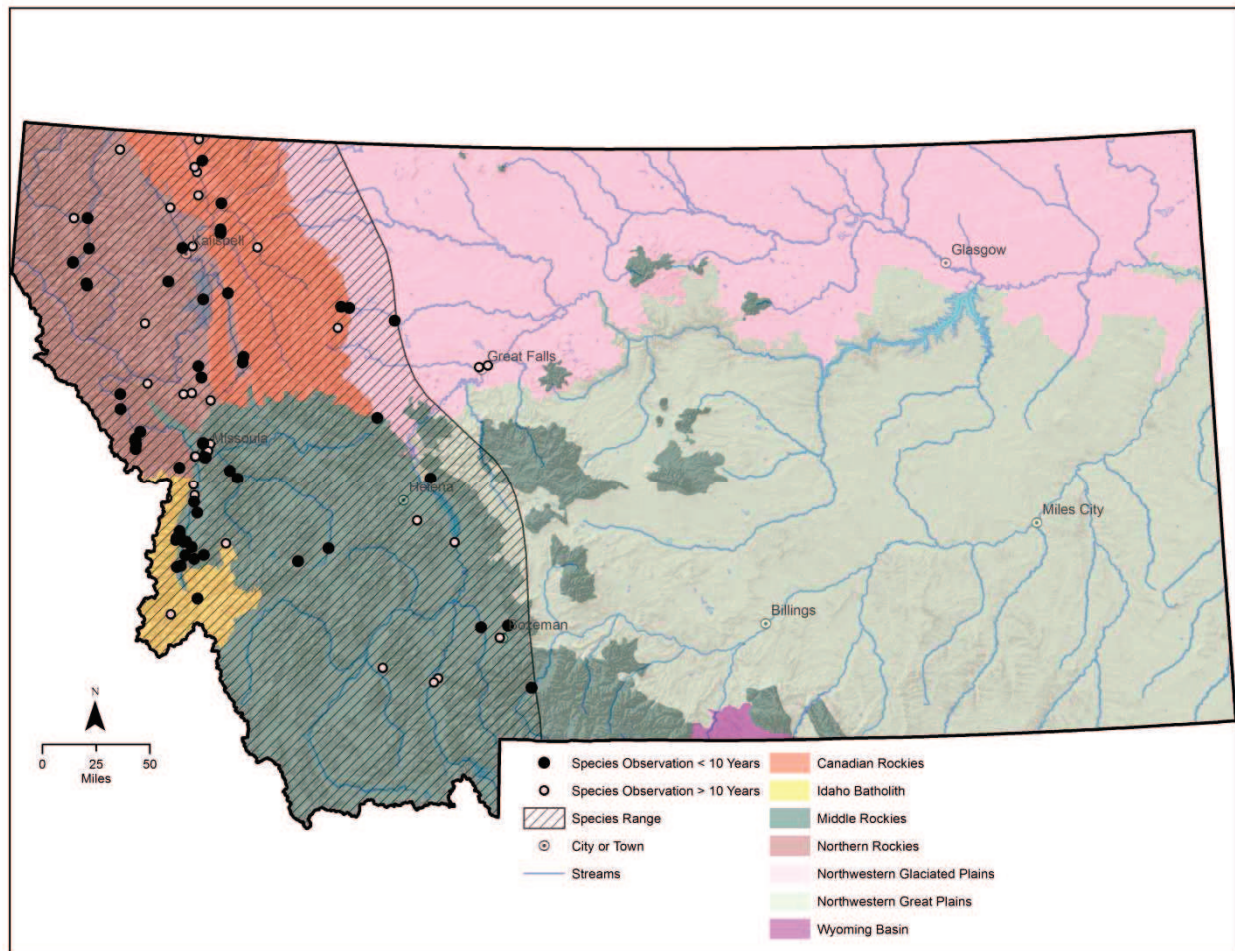

Figure 79. Montana range and observations of the western screech-owl

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**White-tailed Ptarmigan (*Lagopus leucura*)**

**SGCN**  
**State Rank: S3**  
**Global Rank: G5**

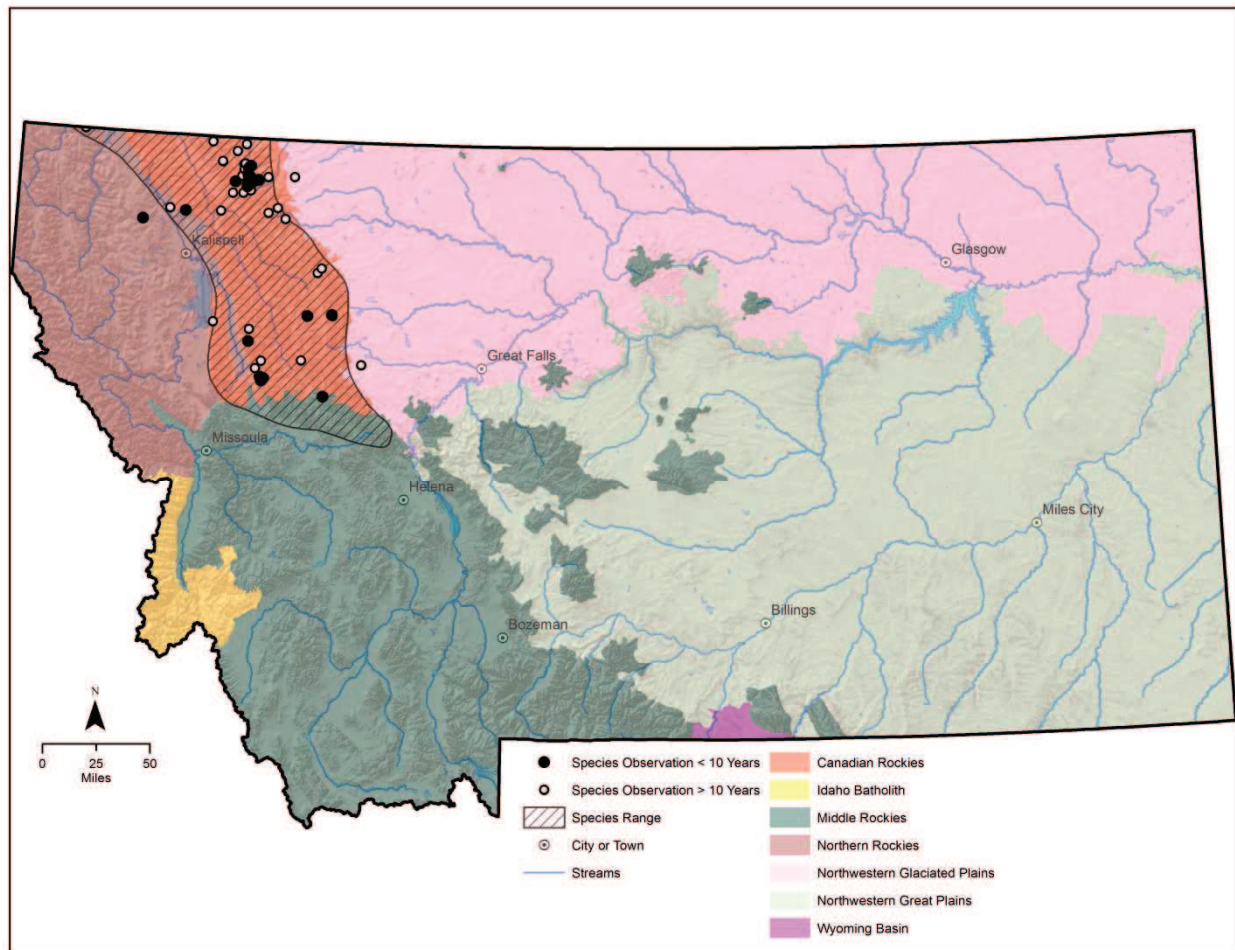

Figure 80. Montana range and observations of the white-tailed ptarmigan

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Yellow-billed Cuckoo (*Coccyzus americanus*)**

**SGCN**  
**State Rank: S3B**  
**Global Rank: G5**

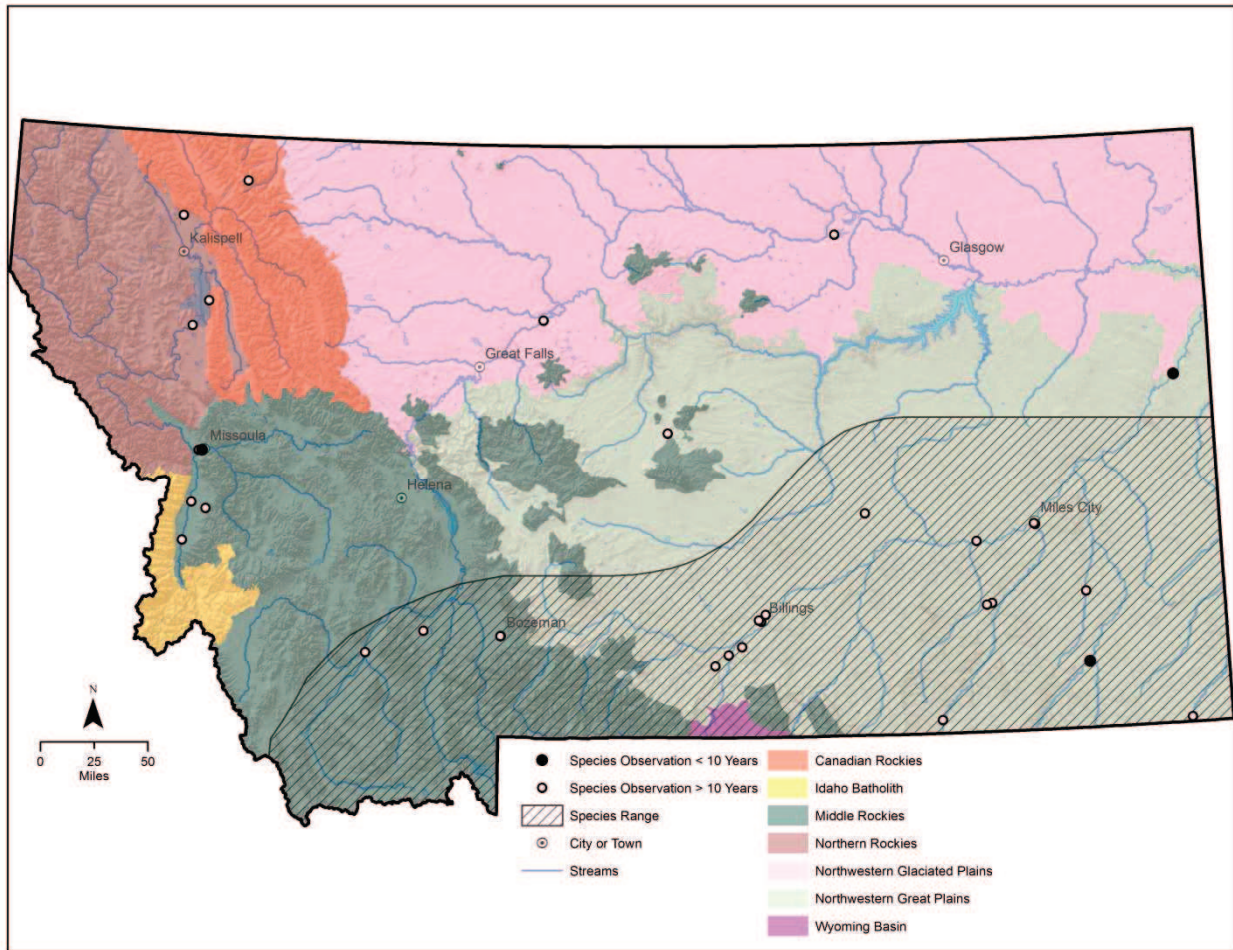

Figure 81. Montana range and observations of the yellow-billed cuckoo

This species lacks a baseline survey and needs to be targeted for survey and inventory.

The following bird SGIN are also SGCN. Information on these species can be found in the previous section, Species of Greatest Conservation Need.

**Black Rosy-Finch (*Leucosticte atrata*)**

**SGCN**

This species has an outdated survey and needs to be targeted for survey and inventory. For more information, see Black Rosy-Finch under Species of Greatest Conservation Need in the previous section.

**Black Swift (*Cypseloides niger*)**

**SGCN**

This species lacks a baseline survey and needs to be targeted for survey and inventory. For more information, see Black Swift under Species of Greatest Conservation Need in the previous section.

**Gray-crowned Rosy-Finch (*Leucosticte tephrocotis*)**      **SGCN**

This species lacks a baseline survey and needs to be targeted for survey and inventory. For more information, see Gray-crowned Rosy-Finch under Species of Greatest Conservation Need in the previous section.

**Harlequin Duck (*Histrionicus histrionicus*)**      **SGCN**

This species has an outdated survey and needs to be targeted for survey and inventory. For more information, see Harlequin Duck under Species of Greatest Conservation Need in the previous section.

**Least Tern (*Sternula antillarum*)**      **SGCN**

This species has an outdated survey and needs to be targeted for survey and inventory. For more information, see Least Tern under Species of Greatest Conservation Need in the previous section.

## FISH

### Deepwater Sculpin (*Myoxocephalus thompsonii*)

SGCN  
State Rank: S3  
Global Rank: G5

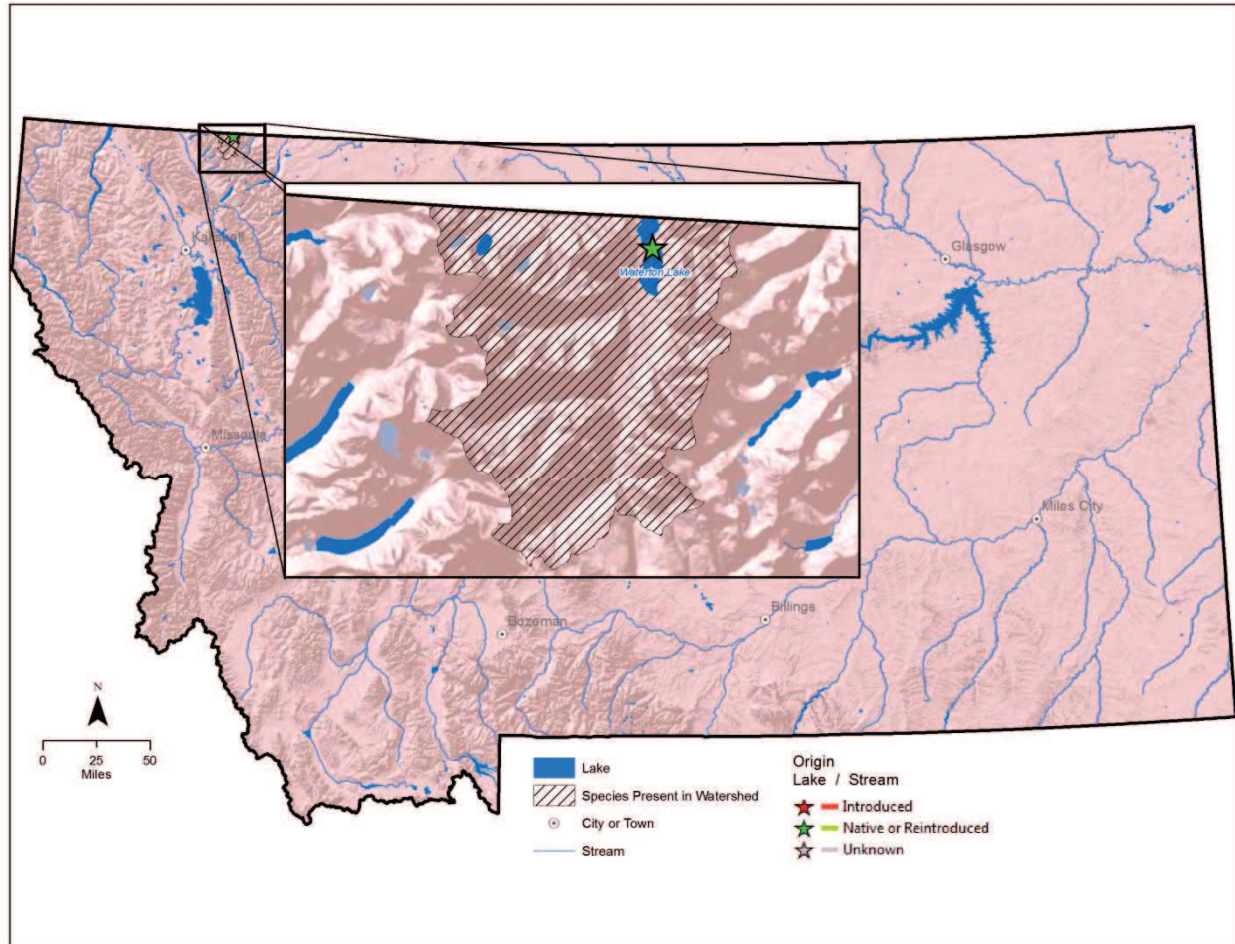

Figure 82. Montana range and observations of the deepwater sculpin

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Pygmy Whitefish (*Prosopium coulteri*)**

**SGCN**  
**State Rank: S3**  
**Global Rank: G5**

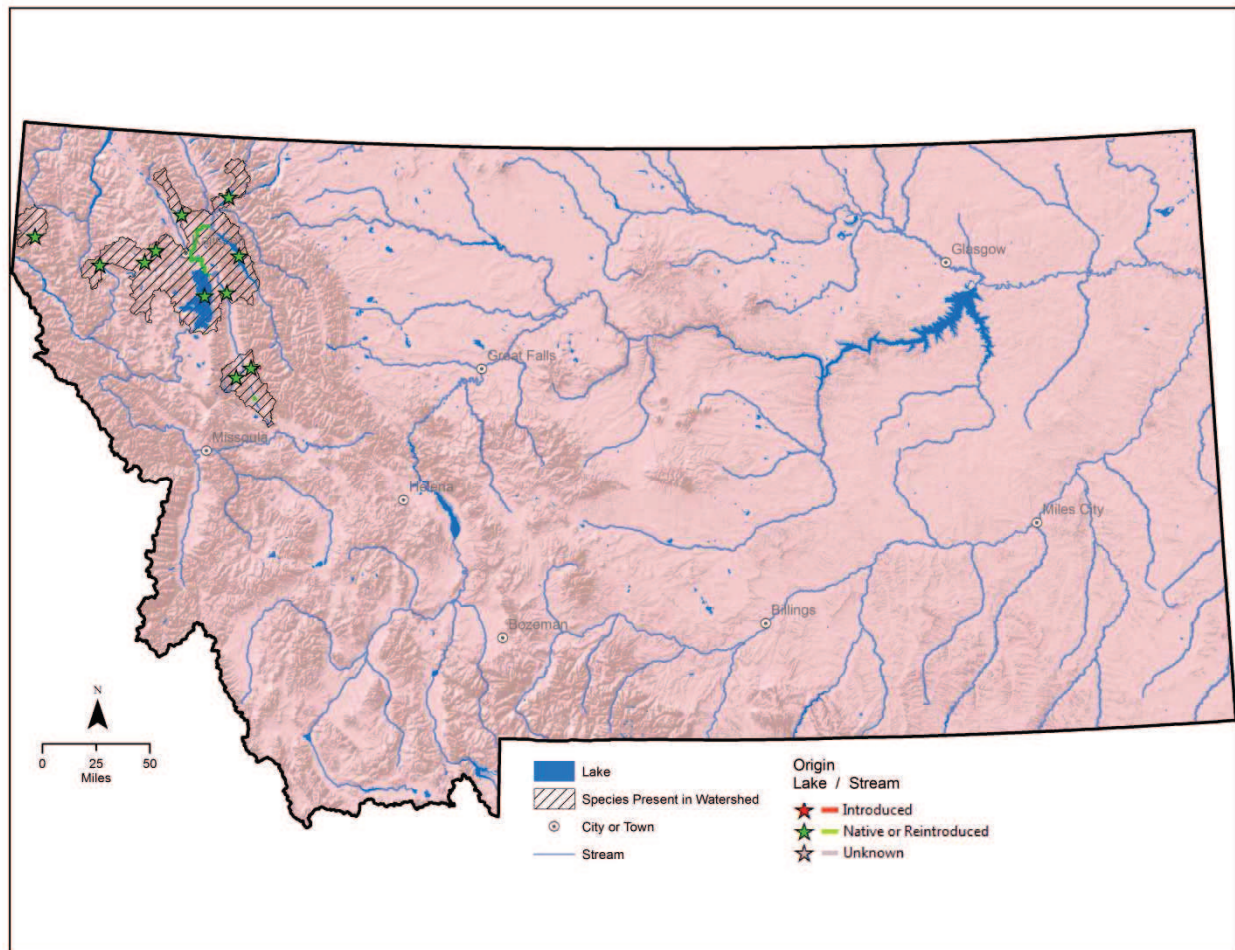

Figure 83. Montana range and observations of the pygmy whitefish

This species lacks a baseline survey and needs to be targeted for survey and inventory.

The following fish SGIN is also an SGCN. Information on this species can be found in the previous section, Species of Greatest Conservation Need.

**Trout-perch (*Percopsis omiscomaycus*)**

**SGCN**

This species lacks a baseline survey and needs to be targeted for survey and inventory. For more information, see Trout-perch under Species of Greatest Conservation Need in the previous section.

## MAMMALS

### Black-tailed Jack Rabbit (*Lepus californicus*)

PSOC

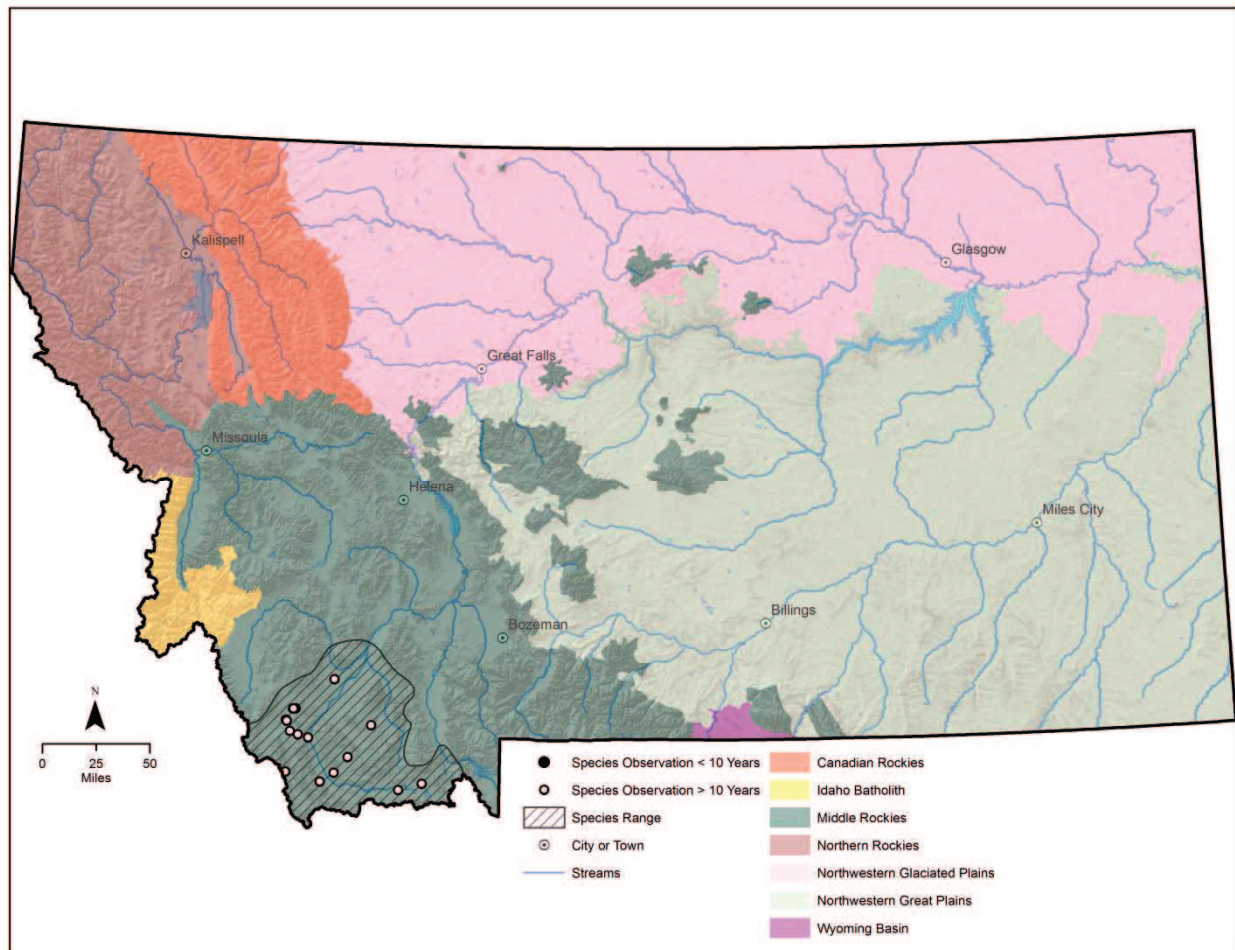

Figure 84. Montana range and observations of the black-tailed jack rabbit

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Great Basin Pocket Mouse (*Perognathus parvus*)**

**SGCN**  
**State Rank: S3**  
**Global Rank: G5**

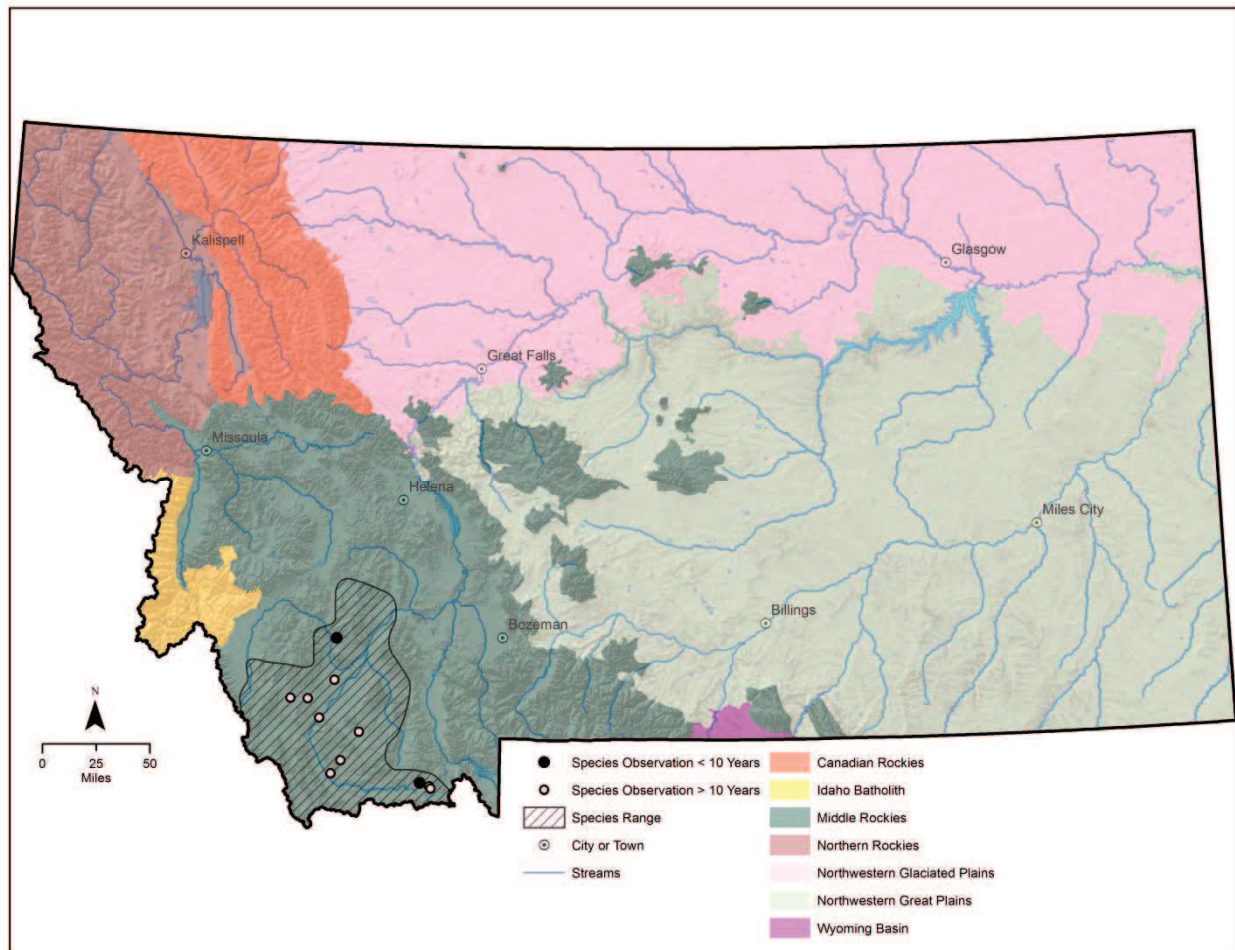

Figure 85. Montana range and observations of the Great Basin pocket mouse

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Hispid Pocket Mouse (*Chaetodipus hispidus*)**

PSOC

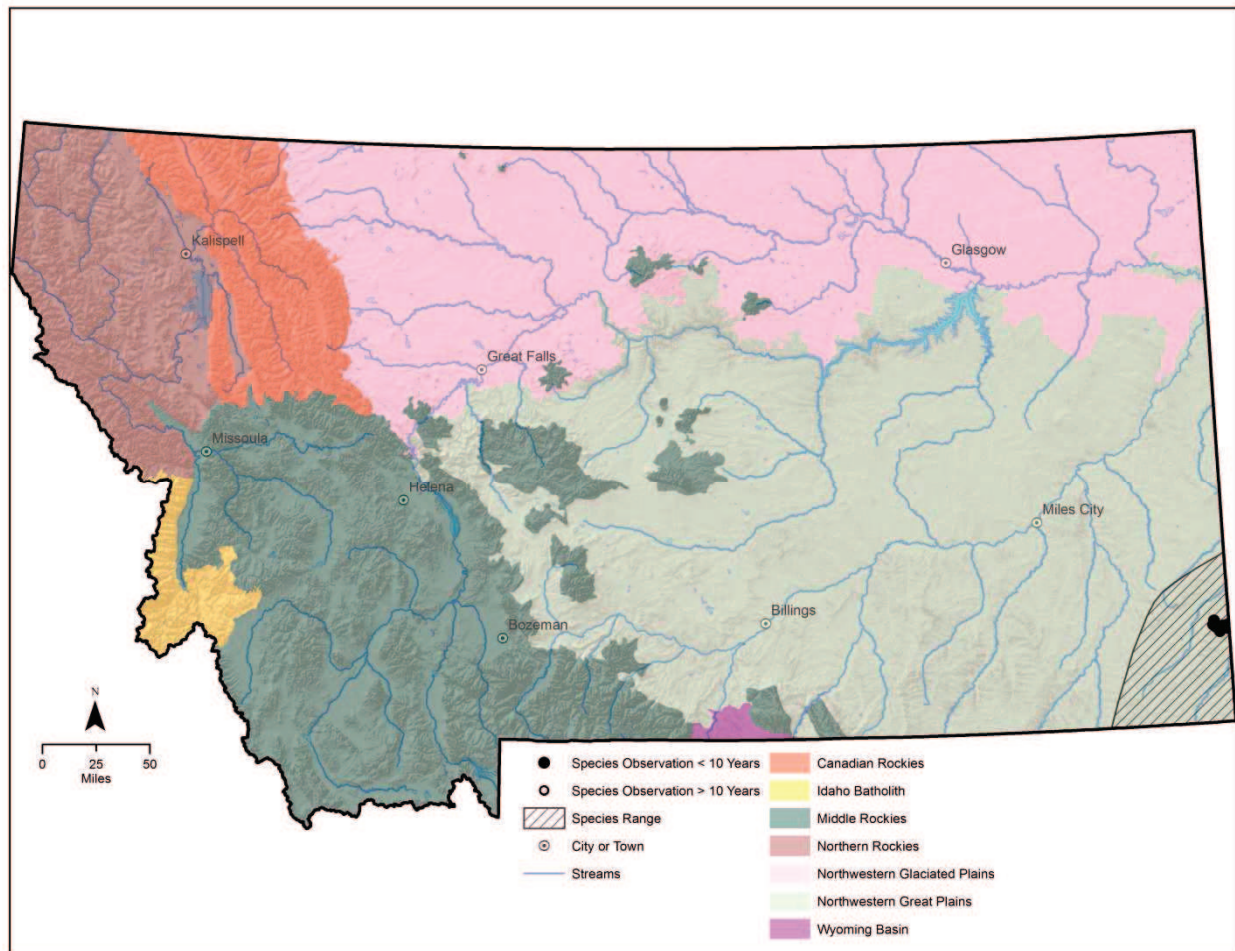

Figure 86. Montana range and observations of the hispid pocket mouse

This species lacks a baseline survey and needs to be targeted for survey and inventory.

**Hoary Marmot (*Marmota caligata*)**

PSOC

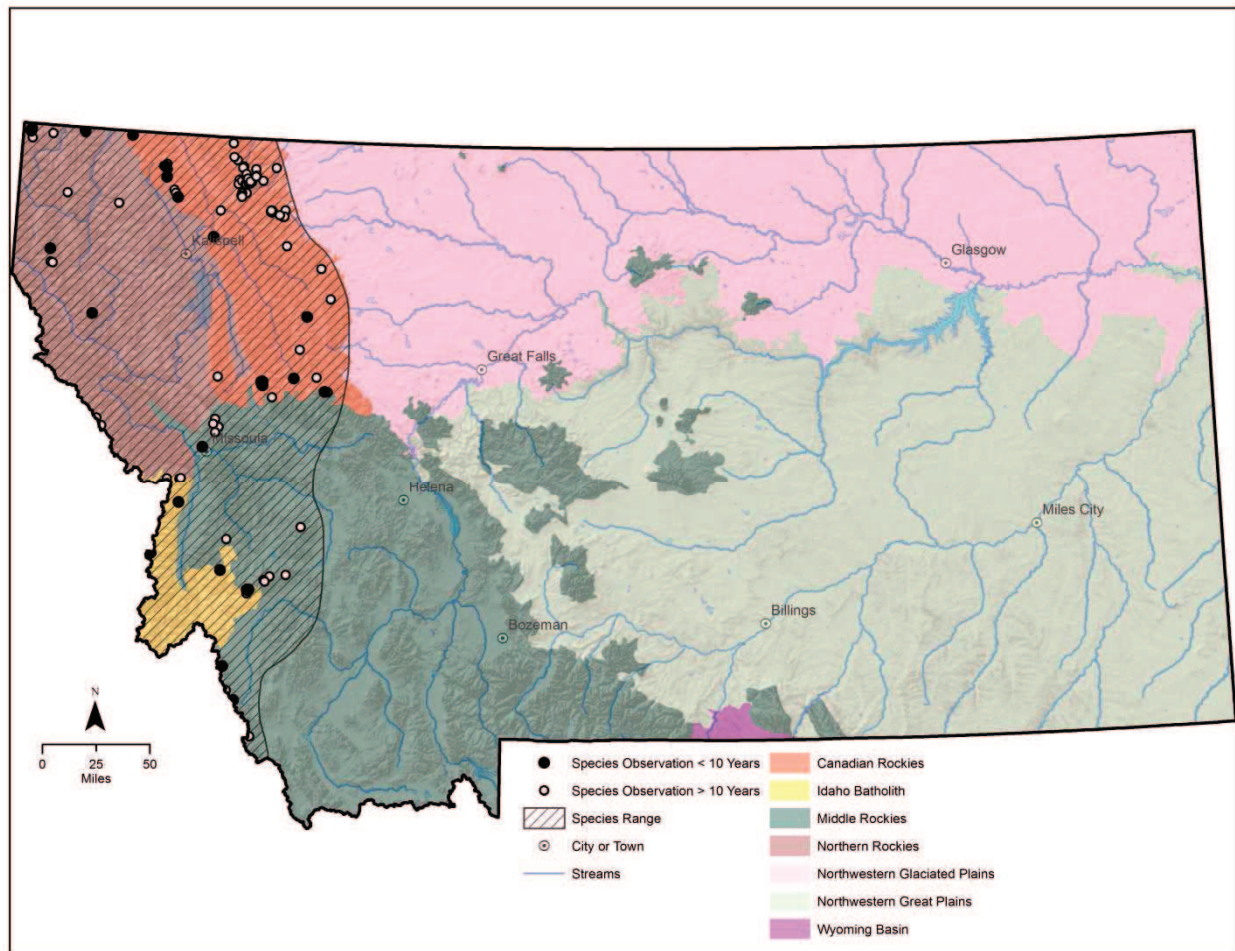

Figure 87. Montana range and observations of the hoary marmot

This species lacks a baseline survey and needs to be targeted for survey and inventory.
